

STATEMENT OF SUBSTANCE OF INTERVIEW

Applicant appreciates Examiner Louie's participation in a telephonic conference of November 14, 2008. Applicant wishes to thank Examiner Louie for his time and consideration.

During the interview, the claimed subject matter of the application and the references were discussed. In particular, Applicant presented arguments along the lines of those set forth below in the section entitled "Claim Rejections 35 U.S.C. §103". Specifically, Applicant presented arguments how the references do not disclose, teach, or suggest features, as recited in Applicant's independent claims.

Also discussed during the interview were proposed amendments to the claims. In the interest of expediting prosecution of the application, and without conceding the propriety of the rejection, Applicant proposes to amend the independent claims to further clarify features of Applicant's claimed subject matter.

Applicant understands Examiner Louie tentatively agrees that the proposed amendments overcome the outstanding rejections based on the two references. Examiner Louie indicates that an updated search would be needed, and requests that the proposed amendments be presented in writing.

Accordingly, Applicant amends the independent claims herein, as discussed during the interview. Applicant submits that all of the pending claims are in condition for allowance.
